I have been a sufferer from catarrh of the stomach, bowels and liver for years. I gradually grew worse, until I could eat or digest scarcely anything, and so weak had I become that I was confined to my bed, when, on Nov. 21, I took a cab and called upon Dr. Hancock, and at once began treatment under him. Within one week I am able to eat most anything. My color is coming back, and I am gaining strength every day. I cannot say too most anything. My color is coming back, and I am gaining strength every day. I cannot say too much for Dr. Hancock, after others had been unable to give me any relief. JAMES OWENS, 1146 21st st. n.w.
